

## Transportation NCR DAYS

The NCR DAYS 2019 takes place at the campus of Utrecht University in the Marinus Ruppert building. We strongly advise public transport because the walking distance increases with space for parking and the traffic hours are rather sedentary.

Marinus Ruppert building  
Leuvenlaan 21  
3584 CE Utrecht

On [www.usp-bereikbaar.nl](http://www.usp-bereikbaar.nl) (Dutch) it is easy to identify different routes and travel options.

## Public transportation

You can reach the Utrecht Science Park by bus from:

- Utrecht Central railway station (lines 28 and 12)
- railway station Amersfoort (line 72)
- railway station Bunnik (line 242)
- railway station Bilthoven (line 31)
- railway station Driebergen-Zeist (line 71, 271 and 371)
- railway station Utrecht Overvecht (line 30)
- railway station Utrecht Lunetten (line 31)

Furthermore, busses ride directly to the Utrecht Science Park from Houten (line 281), IJsselstein (line 283) and Vianen (line 287). Plan your trip via the website of the NS for all train traffic or for all regional public transportation.

**Exit the bus at the bus-stop: Heidelberglaan.**

## Bike

The Utrecht Science Park is easily reached by bike from Utrecht (20 minutes from Central Station) and from the surrounding towns and railway stations (10 minutes from Bunnik). You can plan your bike trip using the [Cycling Association's bike route planner](#).

OV-fiets (public transport bike): you can rent a public transport bike from the following stations: Utrecht Central Station, Utrecht Overvecht, Bunnik, Bilthoven and Driebergen-Zeist.

## Car

We strongly advise public transport because the walking distance increases with space for parking and the traffic hours are rather sedentary.
