

Monday - July 7th, 2025

08:45 – 09:10	<i>Welcome and coffee</i>
09:10 – 09:30	<i>Opening of the NCR Summerschool</i>
09:30 – 11:10	<i>Explaining Patterns and Dynamics of Rivers and Estuaries: Where to Carve Nature at its Joints?</i> Maarten Kleinhans (Utrecht University)
11:10 – 13:00	Poster session of participants' projects (including poster pitches and "human bingo") with lunch
13:00 – 14:40	<i>River training: objectives, effects and research</i> Erik Mosselman (Delft University of Technology / Deltares)
14:40 – 15:30	Poster session and coffee break
15:30 – 17:10	<i>River dynamics across scales: do we need to learn the hard way?</i> Fredrik Huthoff (IHE)
17:30	<i>Group dinner</i>

Tuesday - July 8th, 2025

08:45 – 10:25	<i>Flow and Sediment Transport in Three-Dimensional Flows</i> Koen Blanckaert (Vienna University of Technology)
10:25 – 10:50	Coffee break
10:50 – 12:30	<i>Fluid Mechanics of Shallow Environmental Flows</i> Wim Uijttewaal (Delft University of Technology)
12:30 – 13:45	Lunch break
13:45 – 15:05	<i>Processing of Flow Velocity Measurements in Turbulent Open-Channel Flows</i> Vasileios Kitsikoudis (University of Twente)
15:05 – 15:30	Coffee break
15:30 – 17:10	<i>Transport of Microplastics in the Aquatic Environment</i> Kryss Waldschlager (Wageningen University and Research)
17:30	<i>Group dinner</i>

Wednesday - July 9th, 2025

Day at the Pannerdense Kop

07:30	Departure from University of Twente to Pannerdense Kop
09:45 – 10:45	<i>Delta-Management: Dealing with Uncertainty while Preparing for the Future</i> Saskia van Vuren (Deltacommissaris)
10:45 – 11:00	Coffee break
11:00 – 12:00	<i>Quantifying the Role of Vegetation in Ecohydraulic Studies</i> Ellis Penning (Deltares)
12:00 – 13:00	Lunch break
13:00 – 16:00	<i>Excursion to Pannerdense Kop</i>
16:00	Departure for the University of Twente
18:00	Arrival at the University of Twente

Thursday - July 10th, 2025

08:45 – 10:25	<i>River Morphodynamics</i> Suzanne Hulscher (University of Twente)
10:25 – 10:50	Coffee break
10:50 – 12:30	<i>Tidal Rivers</i> Ton Hoitink (Wageningen University and Research)
12:30 – 13:45	Lunch break
13:45 – 17:30	<i>Hands-on: Numerical modelling</i> Victor Chavarrias (Deltares)

Friday - July 11th, 2025

08:45 – 10:25	<i>Ecology of Large Rivers</i> Gertjan Geerling (Radboud University)
10:25 – 10:50	Coffee break
10:50 – 12:30	<i>Riverine Ecology</i> Frank Collas (Radboud University / Rijkswaterstaat)
12:30 – 13:45	Lunch break
13:45 – 15:25	<i>Remote Sensing of the Fluvial Environment</i> Menno Straatsma (Utrecht University)
15:25	Closing of the NCR Summerschool and drinks
